INFLUENT CONDITIONS & GENERAL INFORMATION

By enrolling you confirm you accept and you are aware of the following:

What happens when I enroll ?

On receipt of your enrolment, we will select the host family which is the most suitable for your profile. You are free to refuse the proposal if you feel the family does not correspond to your requirements and we will propose another host family. We would like you to consider that the host family is more important than the area so ask you if and when possible to give us several choices of areas in the chosen destination.

What does Influent guarantee ?

We guarantee you will be the only language student in the home. One teacher - one student (unless you have chosen a shared programme). The host family can have guests or friends at the same time as you providing these are not of the same nationality or mother tongue as you and do not interfere with the lessons and your stay.

What does Influent not guarantee ?

- To the best of our knowledge the host family details are correct at the time we gave them and cannot be responsible for subsequent changes to these
- We cannot guarantee that all the host family members will be present during the stay as our contract is with the teacher not with any other family member.

How do I pay ?

- **Bank transfer**
Payment should be made by bank transfer to the account provided on the invoice 2 weeks before arrival.
- **Credit card**
Complete the enrolment form and send to be@influentme.com and we will send you a credit card form to fill in, or ask us for a link to pay directly on our secure platform

Is Insurance included ?

No it is not included, you must take out their own insurance against illnesses, accidents, loss of property of cancellations

Is travel Included ?

No, travel is not included, you must make your own travel arrangements. We can however organise transfers to and from the airport, port or train station. Either a member of your family either a driver will take care of these. This is an optional extra and we need to receive travel details well in advance in order to organise them. If no transfers are booked you need to contact your host family to let them know when you will arrive. If they do not hear from you they will not expect you before 19h.

What happens if I have to cancel ?

- If your cancellation is non covid related:
 - Less than 2 weeks to 48h before arrival: 50% of the total fees
 - 48h or less before arrival: 100% of the total fees
- If your cancellation is covid related:
If the course cannot take place following covid related issues (border closures, illnesses etc...) a credit note or full refund will be offered.

What happens if the host family cancels ?

In case of unforeseen circumstances should the family cancel before arrival a replacement host family will be provided

What are Influent's covid safety guidelines ?

- Postpone your stay if you have any symptoms, any doubts concerning your health or if you feel you may have been in contact with someone infected
- Travel safely: wear a mask from entering the airport to flying and leaving the airport at destination, wash or sanitize your hands frequently, avoid touching surfaces and practise social distancing
- Please wash or sanitize your hands frequently, particularly when coming into the house, this is particularly important after taking public transport or being in a public space. Your teacher will ensure there is soap and hand sanitizers at home,
- Avoid touching your eyes, nose and mouth with unwashed hands
- Help keep the home safe. Your teacher will clean and disinfect the home regularly and will pay special attention to surfaces that are often touched, the home will also be frequently ventilated.
- Make sure you are aware of the covid related regulations of the country you are travelling to, wear a mask where appropriate and practise social distancing
- Stay indoors and self isolate in your bedroom and contact your health provider to discuss what you should do if you have any symptoms during your stay

What happens if I have an issue during my stay?

Destination advisors in your host's country are always available to help with any issues you may have big or small, these can usually be solved very quickly as they are usually to do with language misunderstandings or cultural differences. Problems which cannot be fixed are rare but if you feel that you and your host are not suited or you are not happy in your homestay please let your destination advisor know or contact us and we will organise for a change of host family. Claims after the stay will only be considered if issues have been notified during the stay, in the case of minors this is the parent's or guardian's responsibility
