13 NIGHT UK RESIDENTIAL ENGLISH LANGUAGE AND FOOTBALL CAMPS

LIVE, TRAIN AND PLAY THE UNITED WAY

Each year, thousands of 8-17 year olds from all over the world take part in Manchester United Soccer Schools. This year English Language and Football summer camps will be operating at Bradfield College near London and Denstone College near Manchester. Two historic private schools with excellent sporting facilities and accommodation.

FOOTBALL COACHING

- 16 players per coaching group, grouped by age
- 20 hours of coaching per week
- Includes coaching, matches, workshops, camp tournament
- Individual assessment and coach report to take home
- Exclusive MUSS kit pack

LIVING THE LIFE OF A YOUNG UNITED PLAYER ON TOUR ON AND OFF THE FIELD

Each day includes age specific football activity to support each young player in their personal preparation and football development. Players meet new friends, train and play matches every day in the unique Manchester United environment.

Annually attended by youngsters from over 90 countries, this is the ultimate football development experience for players of all abilities and nationalities.

The highlight of the camp is a tour and closing presentation inside the world famous Old Trafford stadium, where friends and family are welcome to attend.

These unforgettable experiences will give each player a unique and fascinating insight into how Manchester United train their youth players to develop their skills, game understanding, football fitness and winning mentality in a truly global soccer environment.

ENGLISH LANGUAGE

- Average of 12 students per class, grouped by age and ability
- 25 hours of English Language lessons
- 20 hours of spoken English in football sessions
- Covers speaking, reading, writing, vocabulary and grammar
- Students take home a personal workbook, tutor report and proficiency certificate

CONVERSATIONAL ENGLISH

We want your child to be able to interact with other students and staff and in real situations while with us in the UK. Based in the classroom, our lessons encourage students to work with each other in English.

USE REAL SITUATIONS

We use the common interest of Manchester United and football as the theme throughout. Lessons include topics which are fun and interesting but still challenging for the students.

THEMED ON MANCHESTER UNITED

There are players from 15 different nationalities in the Manchester United 1st team squad, and English must quickly be learned by the players so that they can understand instructions. This is no different in our coaching sessions, where the language used is always English.

WHY LEARN ENGLISH AT MANCHESTER UNITED SOCCER SCHOOLS?

Our language learning and football coaching are fully integrated. We use our experience in teaching English to young people and combine it with the best in football coaching and related sports sciences. This approach is unique. Our teachers are all graduates with a post graduate qualification in teaching English, all native English speakers and most have Masters-level teaching qualifications.

METHODOLOGY

- We follow the approach known as CLIL (Content and Language Integrated Learning), where language is learnt whilst other new skills are taught; a common approach in the best international schools.
- We encourage students to learn by using every day, authentic English vocabulary in real life situations. This is exactly the same way as most people learn their ‘mother’ tongue.
- Students build their confidence in a constructive and supportive environment, where all the language learnt has a direct meaning and importance for them.

WHAT'S DIFFERENT?

- **Vocabulary:** Most students who have learnt English in a traditional classroom environment have a narrow range of useable vocabulary, not because they have not been taught a wide selection of words, but because they haven't had to use those words in an authentic situation.
- **Using it!** It is only when we use language that we ‘acquire’ it in a natural way. Our students are motivated to extend their vocabulary because they **need** those extra words and phrases in order to talk to their coaches, teachers and fellow students about things that are important to them.
- By combining sport and English, students are living in a **fully immersive English language environment**.

WHAT OTHER ASPECTS OF ENGLISH LEARNING DO WE FOCUS ON?

- **Pronunciation:** Written versions of the language differ only slightly. However, if a student wants to pass an exam in spoken English, they will need clear pronunciation.
- **Rhythm:** Students will need to speak the language with the appropriate rhythm, with the right emphasis and stress.
- **Grammar:** The English language is unusual in respect of its grammar rules. Many are not easily definable and even change over time. It has been proven that teaching grammar “drills”, without any context, simply does not work. Where we find that a student’s ability to communicate coherently is adversely affected by a misuse of grammar, we help them understand their mistakes in context. This is the difference between acquisition and learning.

WHAT ARE THE OUTCOMES?

Practical examples will be seen in the football-relevant project modules where they may be looking at topics such as diet and nutrition or stadium design. They will need to interact with other students, teachers and sports scientists while they contribute to projects with direct relevance to their favourite sport.

Information About Us 'Manchester United Soccer Schools' is a trading name of Manchester United Merchandising Limited which has its registered office at PO BOX 263, Sir Matt Busby Way, Old Trafford, Manchester, M16 0WD (company number 04077874, VAT number GB795 0486 90). Manchester United Soccer Schools has appointed CMT Learning Limited to operate Manchester United Soccer Schools residential courses in the United Kingdom. CMT Learning Limited has its registered office at Westbury Court, Church Road, Bristol , BS9 3EF (company number 6985329). When you book a place on a course through this website you enter a contract with CMT Learning Limited. In these terms and conditions a reference to 'we', 'us' or 'our' is a reference to CMT Learning Limited, and references to Manchester United Soccer Schools and courses always means the Manchester United Soccer Schools and courses provided by CMT Learning Limited. In these terms and conditions a reference to 'you' or 'your' means a reference to the person applying to book a course and a reference to 'participant' means the person for whom a place on a course is booked. This page together with the documents referred to on it tell you the terms and conditions on which we provide courses. Please read these terms and conditions carefully and make sure you understand them before applying to book a place on a course. By applying to book a place on a course you agree to these terms and conditions. The 'Privacy Policy' forms a part of these terms and conditions and sets out the way in which your personal data is handled. Manchester United Merchandising Limited controls use of any personal data that you provide.

1. Placing an order and pricing

i. After you apply to book a place on a course we will send you an e-mail acknowledging we have received your application. This does not mean we have accepted your application. Your application is an offer to us to book a place on a course. All applications are subject to acceptance by us. If we accept your application we will confirm acceptance by sending you an acceptance e-mail. A contract between us will only be formed when we send you that acceptance e-mail. Our website sets out further details on the specific requirements for each course and acceptance is subject to compliance with those specific requirements.

ii. If you do not receive an acceptance e-mail within 28 days of applying to book a place on a course (or, if sooner, within 5 days of the course starting) please call the Booking Department on +44 161 222 1036 to confirm whether your application has been accepted. iii. All applications to book a place on a course must be accompanied by payment of the appropriate course fee of either: (a) full payment; or (b) a £800.00 deposit payment per player followed by the balance payment at least 6 weeks prior to the course start date. A participant will not be allowed to attend a course unless all charges for that course have been paid before it starts. iv. By applying to book a place on a course you confirm that: (a)

you are legally capable of entering binding contracts; (b) you are at least 18 years old; (c) your application is in a private capacity for an individual participant with whom you have a personal relationship and you are not applying for places on courses which you intend to resell in the course of a trade or business. v. The price of courses and any additional fees we charge (but not any fees charged by third parties which you may incur in attending courses) will be as stated on our website from time to time, unless there is an obvious error. These prices and additional fees may change at any time, but any change will not affect any application for which we have sent an acceptance e-mail. You are responsible for arranging and paying for the participant's return travel to the course venue. vi. Prices include VAT. If the rate of VAT changes before you make any payment due to us we may adjust the VAT you pay.

2. Cancellation and refunds

i. To cancel an accepted booking, you must inform us in writing.

ii. You may cancel your booking without any charge within 7 working days of us accepting your booking, provided the course has not already started. Transfers booked within 7 days of the start of the camp are non-refundable. Extra nights booked within 7 days of the start of the camp are only refundable if the camp booking has also been made within 7 days of the camp start date.

iii. If you cancel your booking and/or transfers, visa letters and/or extra nights later than 7 working days after we accepted your order but more than 6 weeks before the first day of the course we will give you a refund of any payment you have made less a reduction of an amount up to the value of the deposit payment referred to in paragraph 1.iii. How much of the deposit payment we withhold will depend on our reasonable assessment of our costs of dealing with your booking and cancellation, and whether we are able to resell the place you booked. iv. If you cancel your booking and/or transfers, visa letters and/or extra nights later than 7 working days after we accepted your order and less than 6 weeks before the first day of the course we will not be obliged to give you any refund, but may do so in our discretion (any such refund will be less the £800.00 deposit payment). How much of the amount you have paid we refund will depend on our reasonable assessment of our costs of dealing with your booking and cancellation, and whether we are able to resell the place you booked. In our experience it is unusual to be able to resell a cancelled booking less than 6 weeks before the first day of the course so you should not expect to receive a refund if you cancel your booking on late notice. v. If a participant is refused a visa to enter the UK to attend a course we will offer a full refund provided that you have taken all necessary steps to ensure the visa is granted in sufficient time to allow attendance on the course. We require a copy of the original documentation issued by the Entry Clearance Officer stating that the visa application has been declined at least 72 hours prior to 12:00pm on the camp start date in order to process a refund. vi. In the unlikely event of us

cancelling a course, you will receive a full refund of fees paid. vii. All other claims for cancellation must be made through your Endsleigh Insurance travel insurance policy which is included in the course fee. Details about this travel insurance policy can be obtained by contacting us on + 44 161 222 1036. viii. In all cases where we make any refund we will process the refund as soon as possible and always within 30 days of notice of cancellation (for cancellation under paragraphs 2.ii., 2.iii., 2.v and 2.vi.) and 30 days of agreement to issue a refund (for cancellation under paragraph 2.iv). We will usually issue a refund using the same method you used to pay.

3. Changes

All courses, activities, venues and travel arrangements are subject to change according to weather, venue availability, a satisfactory number of participants, and factors beyond our control. As such, we may cancel or change any courses, should this be necessary for these reasons. If we do have to cancel a course we will offer an alternative course (if available and suitable) or a full refund.

4. Fitness

i. You must ensure that the participant is physically fit and able to participate in the sporting activities. If you need any further information on the physical fitness required of participants or have any doubt that a participant is sufficiently physically fit to attend a course please contact us before applying for a place on a course. We will not issue a refund because a participant is not sufficiently physically fit to participate in any part of a course.

ii. We may require additional information depending on the medical information supplied to us by you when you apply for a place on a course before we can accept your booking.

iii. In the event that the participant needs medical attention during any course then you agree to us arranging for any appropriate and necessary treatment.

5. Liability

i. Neither you nor we shall be liable to the other for any loss or damage the other suffers as a result of a breach of these terms and conditions, unless that loss or damage was reasonably foreseeable at the time of agreement of these terms and conditions.

ii. Nothing in this agreement excludes or limit in any way our liability for:

(a) death or personal injury caused by our negligence; or

(b) fraud or fraudulent misrepresentation; or

(c) any other matter for which it would be illegal or unlawful for us to exclude or limit or attempt to exclude or limit our liability. iv. The cost of any damage caused by you or any participant you have booked on a course to any property or

facilities will be passed on to you and you will be liable to pay it.

6. Skills Competition

I. During our courses we may run 'Skills Competition' and other competitions. The 'Skills Competition' and any other competitions that we may run within any of our courses are operated at our entire discretion and in all matters (including disputes), the decision of our judge(s) shall be final and no correspondence or discussion shall be entered into.

ii. Any prizes offered are non-transferable and there is no cash alternative. We reserve the right to substitute prizes of equal or greater value at any time. iii. All Skills Competition finalists must be accompanied by one adult and will be responsible for all additional costs and expenses associated with attending the final and organising their own travel.

7. Removal of participants from courses

i. Participants on courses must comply with the Course Regulations, all rules and regulations that apply at any location where courses are provided, and all instructions of course leaders and other staff at any location where courses are provided. ii. We treat as a priority the safety and wellbeing of all participants attending our courses. We therefore reserve the right to remove from our courses, without refund, any participant who contravenes paragraph 7.i. of these terms and conditions, is found bullying, behaving in a way that may be a danger to others, or who is generally disruptive. iii.
