Wynchemna Memories

"I never thought that I would go kitesurfing at an English camp! Or go-karting, watersliding, sailing, play paintball, or any of the amazing activities that we did at Wynchemna this year. I was really so busy having fun that I did not notice how much English I was learning. Thanks Wynchemna!"

Steffen

Germany

"Wynchemna just kept getting better, until I was sad to go home. I met cool and crazy people from everywhere in the world, and I still email and facebook many of my new friends (in English!). I had lots and lots of fun around Calgary, shopping, going to movies, bowling, ice skating, rock

climbing, and lots of other things that I never did before. Then the camping trip was amazing, and I feel very lucky to have seen the beautiful mountains of Canada. Wynchemna, I will miss you!

Ana

"The teachers at Wynchemna are the best. They are fun AND funny (and thanks to Kyle's lessons I now know the difference!). I still miss them, after being home for months. Thanks to everyone for an unforgettable summer!"

Julie

Czech Republic

At first I didn't want to go to a summer English camp. Then I didn't want to come home! The memories I have are the best thing I could hope for. I will never forget the friends I made and the fun times we had. The teachers kept us busy all the time, with English lessons, and activities, and good food, and always lots of English conversation on the bus and everywhere. I would recommend this camp to everyone who is serious about learning English, AND everyone who is serious about having a fun summer vacation.
