# COACHING

## 360° HOCKEY

The coaching team combines recent and current international players and elite-level coaches. They create a high-intensity and fun training environment that motivates and inspires. Players are challenged on all aspects of their game in two daily training sessions focusing on a variety of technical and 3D skills, matchplay situations and athlete development.

## RAISE YOUR GAME

Coaches share their own experiences about what it takes to raise your game to the highest level. They equip players with a better understanding of the game and how to continue to progress at home. Fitness and conditioning drills are used to improve footwork, balance and speed.

# GOALKEEPERS

## OWN THE CIRCLE

Goalkeepers can join on any week throughout the summer. Each week, they have one full day of specialist GK training. The day comprises two on-pitch sessions and one classroom workshop.

On the pitch, expert coaches work with players to improve the technical and physical attributes required to take their game to the next level. Then during workshop sessions, they explore the mental characteristics needed to succeed in modern hockey. On other days, goalkeepers train alongside outfield players, being incorporated into training exercises and taking part in the tournament on Friday.

# MEET THE HOCKEY DIRECTOR

## LILY OWSLEY

Lily is a stalwart of the GB hockey team, making her England debut as a 19-year-old and amassing over 160 caps for both England and Great Britain. With an Olympic gold medal from Rio and a bronze from Tokyo to her name, she also played a pivotal role in Team GB's triumph at the 2015 European Championship, sealing the victory with the decisive final goal against the Netherlands.

Now, Lily is committed to supporting the next generation of hockey stars to benefit from the same calibre of coaching that she did as a member of Team GB's golden generation. As a member of UK Sport's World Class Programme, she had access to the world's best coaches, which has shaped her own coaching style. Each week Lily brings this experience as both a professional player and coach to her role as Hockey Director on camp. Lily will join the camp to teach a coaching masterclass and deliver an inspiring workshop and Q&A to young players. Through this masterclass and workshop, players gain a new perspective on the skills and mindset they need to master to compete at the highest level.

# TOURNAMENT DAY

## PLAY TO WIN

At the end of each week, players put their new skills to the test in a tournament.

This event is the culmination of each player's training, enabling them to adopt the mindset of a professional athlete and understand what it takes to succeed in competition. The highlight of the week, tournament day is fiercely competitive and full of fun!

# ENGLISH TEACHING

## WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

## HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

## WHAT'S INCLUDED

**UP TO 13 HOURS OF ENGLISH LESSONS PER WEEK**

**1:12 TEACHER TO STUDENT RATIO (AVERAGE)**

**INDIVIDUAL REPORT**

# WORKSHOPS

## WHAT TO EXPECT

Players taking the Total Sport option follow a series of workshops and recovery activities throughout the camp. They are introduced to a range of topics designed to give a broader view and better understanding of athletic performance, and what it takes to succeed on and off the pitch. Recovery exercises, such as yoga, help players manage the workload of training twice a day.
