# COACHING

## 360° TENNIS

Players are assessed and grouped by ability. Each group's programme is customised to maximise individual skill progression. Working on a maximum 1:6 ratio, coaches use demonstration, practice and detailed feedback to provide players with insight into their technique and how to improve.

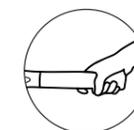

## RAISE YOUR GAME

Advanced players are challenged technically, tactically and physically while developing players learn to master grip, spin, movement, and consistency. Alongside short-set matches and challenges, fitness and conditioning drills are used to improve footwork, balance and speed.

# TAKING PASSION FOR SPORT INTO THE CLASSROOM

# ENGLISH TEACHING

## WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

## HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

## WHAT'S INCLUDED

-  UP TO 13 HOURS OF ENGLISH LESSONS PER WEEK
-  1:12 TEACHER TO STUDENT RATIO (AVERAGE)
-  INDIVIDUAL REPORT TO TAKE HOME

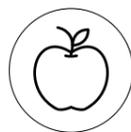

# WORKSHOPS

## WHAT TO EXPECT

Players taking the Total Sport option follow a series of workshops and recovery activities throughout the camp. They are introduced to a range of topics designed to give a broader view and better understanding of athletic performance, and what it takes to succeed on and off the court. Recovery exercises, such as yoga, help players manage the workload of training twice a day.

## WORKSHOP EXAMPLES

### NUTRITION

WHY WHAT YOU EAT AND DRINK MATTERS

### DIVERSITY & INCLUSION

LEVELLING THE PLAYING FIELD AND EMBRACING DIVERSITY

### ELITE PERFORMANCE

# LIFE ON CAMP

Camps are action-packed with sport, learning and meeting friends from around the world. Here are some useful insights about life on camp and how players are looked after.

## ACCOMMODATION

Players stay in boarding houses on campus based on age group, with boys and girls in separate houses. All houses have a communal players' lounge for relaxing during downtime. Some boarding houses have single bedrooms only. Where houses have shared bedrooms, we may be able to accommodate roomshare requests.

## DIET, NUTRITION AND HYDRATION

Meals are nutritionally balanced and designed for young athletes. There are a variety of options to choose from, including a vegetarian option. Welfare staff guide each player to ensure they are eating and drinking enough of the right foods during the camp. Coaches ensure players drink plenty of water during training sessions.

## WELFARE STAFF

There is a dedicated camp management and welfare team on-site all day and night. They are trained to look after players' wellbeing and are always on hand to help, support and guide campers to reach their full potential.

## MEDICAL AND INJURY

A nurse is available each day to monitor illness, medical conditions and dispensation of medication. Further support and advice is provided by an on-call private doctor. Sports therapists or physiotherapists are present during sports sessions in case of injuries and subsequently to advise on recovery.
