COACHING

TRAIN LIKE A PRO

The coaching curriculums are designed and delivered by Chelsea FC Foundation, one of the world's leading football, education and community programmes. All four camps provide players with an insight into life as a young Chelsea FC player, with coaches sharing insights into what it takes to compete at the highest level. On each camp, players are grouped by age and ability to ensure they get the best out of every training session.

RAISE YOUR GAME

A weekly awards night on Saturdays celebrates players' successes, with prizes for performance and attitude throughout the week. Players leave with a better understanding of how to improve along with confidence from an international football environment and new friends from across the globe.

COACHING PROGRAMMES

DEVELOPMENT CAMP

AGES 9-13
LANCING COLLEGE

The curriculum focuses on Chelsea's fast, attacking style of football and each day is themed on a different Chelsea First Team player. Young players learn to master the skills and techniques needed for each position in a fun and engaging environment.

Player development is supported through drills, skills challenges, and small-sided games. They develop independence and build self-confidence on and off the pitch, whilst making new friends from around the world.

ADVANCED CAMP

AGES 13-17
CHARTERHOUSE SCHOOL

Set within a world-famous English boarding school, this popular programme challenges players to improve at every level. Grouped by age and ability, high-intensity daily training sessions focus on playing as a team in the Chelsea FC style whilst preparing to play competitive 11-a-side matches later in the week.

Players are also challenged on an individual level to improve technically and tactically through a series of pro-style drills, skills challenges and small-sided games. As well as learning what it takes to be part of a successful team, players make new friends from around the world and develop maturity.

COACHING PROGRAMMES

GOALKEEPER CAMP

AGES 13-17
CHARTERHOUSE SCHOOL

Specialist Chelsea FC goalkeeping coaches work with players on the physical and technical aspects of the position such as ball handling, positioning, and distribution. Each day comprises of one session of goalkeeper-specific training and one outfield session, equipping players with the skills needed for this position in the modern game. During the outfield session, players get the chance to put their skills into practice in game scenarios alongside players on the Advanced Camp.

PERFORMANCE CAMP

AGES 15-17
SURREY SPORTS PARK

Aimed at players looking to transition to the senior game and experience a university campus, this smaller programme takes players deeper into the tactical side of football. Chelsea FC coaches offer players an in-depth insight into how to improve individual performance. On-pitch coaching is modelled on key elements of the Chelsea First Team's playing style with detailed technical drills reflecting in-game scenarios and sequences. Coaches look to develop the physical attributes and mental toughness needed to succeed at a senior level, giving players a true all-round football experience.

CHELSEA FC TRAINING CENTRE

WHAT TO EXPECT

Every week, players experience what it's like to be a professional Chelsea FC player with a day of training at their official training centre.

Sessions focus on gameplay situations and encourage players to put the skills they've gained throughout the week into practice. During the day, Chelsea FC's expert staff team, together with occasional special guest speakers, offer players knowledge and insight into the professional game.

TRAIN LIKE A CHELSEA PLAYER

TAKING PASSION FOR FOOTBALL INTO THE CLASSROOM

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on football, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

WHAT'S INCLUDED

-  UP TO 13 HOURS OF ENGLISH LESSONS PER WEEK
-  1:12 TEACHER TO STUDENT RATIO (AVERAGE)
-  INDIVIDUAL REPORT TO TAKE HOME

WORKSHOPS

OFF THE PITCH

Players taking the Total Football option follow a series of workshops and recovery activities throughout the camp.

Fun discussions introduce younger players on the Development Camp to topics that explore how Chelsea FC players excel on and off the pitch. Specialist staff and coaches deliver in-depth workshops to players on the Advanced and Goalkeeper Camps, giving them an insight into what it takes to succeed at the highest level. Players on the Performance Camp are guided through a short coaching course designed to give them a greater understanding of the game.

Outside the classroom, recovery exercises, such as yoga, help players manage the workload of training twice a day.

CAMP EXCURSIONS

All camps include exciting excursions, giving players a taste of some of the UK's top attractions.

STAMFORD BRIDGE

The trip to Chelsea FC's iconic stadium in West London includes a behind-the-scenes tour and a visit to the museum where players can learn about the evolution of the club and the secrets to their long-term success.

LONDON EXPERIENCE

Players experience the sights of England's capital city including the famous 'Big Ben' and Buckingham Palace, rounding the day off with the chance to do some shopping.

THEME PARK

There's something for everyone at England's top theme parks. Adrenaline junkies can ride rollercoasters that go from 0-80mph in under two seconds, while those who prefer to keep their feet near the ground can enjoy smaller rides and traditional fairground activities.

BRIGHTON PIER

Players spend the day at the traditional British seaside city of Brighton, enjoying all the rides and amusements of Brighton Pier.

LIFE ON CAMP

Camps are action-packed with sport, learning and meeting friends from around the world. Here are some useful insights about life on camp and how players are looked after.

ACCOMMODATION

Players stay in boarding houses on campus based on age group, with boys and girls in separate houses. All houses have a communal players' lounge for relaxing during downtime. Some boarding houses have single bedrooms only. Where houses have shared bedrooms, we may be able to accommodate roomshare requests.

DIET, NUTRITION AND HYDRATION

Meals are nutritionally balanced and designed for young athletes. There are a variety of options to choose from, including a vegetarian option. Welfare staff guide each player to ensure they are eating and drinking enough of the right foods during the camp. Coaches ensure players drink plenty of water during training sessions.

WELFARE STAFF

There is a dedicated camp management and welfare team on-site all day and night. They are trained to look after players' wellbeing and are always on hand to help, support and guide campers to reach their full potential.

MEDICAL AND INJURY

A nurse is available each day to monitor illness, medical conditions and dispensation of medication. Further support and advice is provided by an on-call private doctor. Sports therapists or physiotherapists are present during sports sessions in case of injuries and subsequently to advise on recovery.
