SPANISH COURSES FOR TEENAGERS IN VALENCIA

**n**

Our Teen summer programmes are designed for students aged between 13 and 19 y.o. with all levels of Spanish.

We expertly combine our lessons in small, caring classes with cultural and leisure activities.

#lavidaespanole

We put great effort into opening the minds of our teenagers through total cultural immersion. Students walk away with new skills, new appreciation for world cultures, new friends from across the world and new insights into what they can achieve. Our students will practise Spanish, experience an exciting new culture, make international friends, and have an unforgettable time with us.

**We divide the teenagers into two different programmes depending on their ages, so that we can focus better on their interests and needs.**

## The school

Our beautiful school is located in the heart of Valencia's old town, in a Gothic palace, surrounded by history and culture.

We have carefully renovated this historical building to our own vision of a 21st century language school that compliments history with modernism.

The school is placed just where the 11th century Arab city walls were standing and still a big part of them have remained inside the building crossing through the school and getting inside the classrooms, creating an atmosphere of history and mystery.

Our 2100-square-metre building has 28 classrooms with interactive whiteboards, comfortable areas for students, a sunny patio with orange trees and a rooftop garden to enjoy the beautiful Valencian weather all year round.

The Españolé Teen summer programmes take place in an exclusive wing of our school to ensure all our teens are together and interacting during breaks from class in a young and international atmosphere.

The school is conveniently located in the city centre with easy access to the accommodations and activities.

## School location

Españolé is situated on one of the main streets of Valencia Old Town, in the district of El Carmen.

A tangled web of narrow streets, alleys and plazas packed with terraces, El Carmen has become Valencia's most famous and fascinating neighborhood.

The school is surrounded by history, culture, shops, cafes, historical sites and the energetic Spanish city life.

## Student's nationality

## International and friendly atmosphere

Our students come from a growing number of countries, all with the aim of learning or improving their knowledge of Spanish language and experiencing the Spanish way of life.

The school's friendly atmosphere is perfect to use your new language skills to make friends.

A Member of the International House World Organisation

## Quality assurance

We are proud to be part of International House World Organization (IHWO) which has over 60 years' experience in improving quality in language teaching.

We are also accredited by the Instituto Cervantes and members of the prestigious organisation of language schools IALC.

## Spanish courses

There are four Spanish lessons every day, they can be in the morning or following a zig zag schedule (some days in the morning with activities taking place in the afternoon and some days activities taking place in the morning and lessons in the afternoon).

During the course students become immersed in Spanish language and culture, learn how people use the language in real life, how they speak to each other in the street and how they socialise. Students develop skills that they can immediately practise outside the classroom.

Our Spanish lessons focus on communication skills, although grammar and vocabulary are also important.

\* Students from both programmes might share some lessons.

## Students are immersed in Spanish life, culture and language

### Levels

The courses are divided up into 6 different levels: from beginner to advanced based on the Cervantes Institute programme under the directives of the Common European Framework of Reference for Languages.

No matter what your level of Spanish, we will always find a class that is perfect for you.

### Your Spanish class

All classes are given in Spanish. In general the number of students per class is between 6 and 12 and each lesson lasts for 50 minutes.

Since the groups are small in number, the teacher is able to deal with the specific needs of each student on a more personal basis.

The classes are based on tasks and planned depending on the students' needs and styles of learning.

You will use a textbook in class, together with supplemental material such as newspaper/press articles, adverts, audio-visual materials, etc.

### Our teachers

We have a dynamic team of teachers who love teaching Spanish. They're all university graduates and have many years of experience specialising in teaching foreign students.

They use modern materials and methods to ensure that lessons are interesting and entertaining.

We also offer the possibility of living in one of our student residences near the school.

There is 24-hour staff in the residences making sure students are comfortable and supervised. Meals are served in the residences' canteens. Weekly cleaning and free self-service laundry machines and driers are available.

Also on departure students can be picked up at their accommodation and driven to the departure terminal of the airport.

If they book our transfer service, they will be helped to do the check-in and will be accompanied up to the security control before the boarding area.

Students who have booked the UM service with the airline (unaccompanied minor service) will also have to book the service with the school (extra cost for departure) as the airline requires the person in charge to escort the student until boarding the plane.

## Supervision and security

Every outing is supervised by our school staff who watch out for the wellbeing and safety of our students. Specialist activities such as sailing, paragliding, etc, are always supervised by professional instructors.

Students are expected to attend lessons and activities as scheduled, and have to respect the programme curfew that is established depending on age.

## Curfews

For 13-15 y.o.

Sunday to Thursday: Students have to be back for dinner, and are not allowed to go out later. Dinner is normally between 21:00 and 21:30.

Friday and Saturday: Return to their accommodation by 23:00.

For 16-19 y.o.

Sunday to Thursday: Return to their accommodation by 00:00.

Friday and Saturday: Return to their accommodation by 01:00.

## The first day

On Monday morning host families accompany the teens to school and show them the way back home, either walking or by public transport.

Students living in residence will be accompanied on Monday morning by our school staff.

Students will then take a level test so that they can be placed in the class of the corresponding level.

After the test, they will attend a Welcome meeting where they will receive useful information and get to know other new students and the staff of the school.

Once the tests have been reviewed, every student is placed in a group and the classes can begin.

Complete beginners of Spanish don't have to take the level test but will participate in the Welcome meeting.

\*\* It's possible to book the "extra supervision service" if parents want the host family or our staff to accompany the children every day to school and pick them up in the evening after the activities.

Non-European Community nationals should have an international health insurance policy that is valid for Spain).
