RAMSGATE HOMESTAY

CHURCHILL HOUSE SCHOOL

Homestay gives students the opportunity to practice English in an everyday setting, outside the classroom. Students have the opportunity to share cultural experiences, learn more about Britain and improve their language skills – an experience that will stay with them for a lifetime.

Churchill House has been providing homestay accommodation for over forty years and understands the importance of a safe and friendly environment for our students. Homestay gives students the opportunity to experience the English way of life first hand and to practice English outside the classroom. All families providing homestay accommodation are carefully selected by our experienced accommodation managers and are revisited every year.

Our families do everything they can to welcome students to their friendly homes and to make their stay happy and successful. Students can choose a shared or single room – shared is usually with a student of a different nationality so they can speak English together.

Homestay is a safe and enriching way to learn English as such, families provide breakfast and evening meals each day in the family home. The families also provide a weekly personal laundry. Many families are within 15 minutes walk of the school. As you would expect, we work closely with all our host families to ensure that all accommodation meets our very high standards.

The welfare of our homestay students is our prime concern, from the moment they arrive in the UK until they return home. To ensure that our students are safe, happy and cared for during their stay, we have a ratio of 1 member of staff to every 8 students to provide full and attentive supervision on activities. Junior students are walked home after the evening activity with our walking bus service.

CHURCHILL HOUSE SCHOOL

RAMSGATE HOMESTAY BY THE BEACH

Churchill House is located in a quiet residential area less than 10 minutes' walk from the town centre. The school is in an attractive nineteenth century square overlooking public tennis courts and the harbour. The main buildings date from 1814 and although they have been modernised they still retain their charm. Classes and activities will take place across the square in one of our school buildings with spacious, modern classrooms. Close to the classes is our Clubroom, with a

range of facilities including a self-service restaurant, pool table and in the evenings it is the venue for our disco and karaoke nights.

Homestay by the beach

Most of our families in Ramsgate host our students all year round and so are used to welcoming new students into their homes. Students are fully immersed into the family environment, eating with the family seven days a week, attending school based evening activities Monday-Friday and staying with their homestay family on Saturday and Sunday evenings. This allows them to get to know the family better and gives them the opportunity

Ramsgate harbour

to improve their conversation skills in a natural environment. Most of our accommodation is within a 15-minute walk from the school and at the end of evening activities, our staff walk junior students home.

Classes

Students are tested before arrival by our online testing system and put into classes with students of similar ability. Students learn in classes with a maximum of 15 students. Throughout the week, students

receive 15 hours of tuition where they are encouraged to develop and practise their English skills through activities that will help them to communicate more confidently.

Activities

All of our students are encouraged to activate their spoken English, not only through classes, but also through the activity programme and excursions. Each student visits fun and educational places on one half day and one full day trip a

week, which allows them to interact with other British people and use their English.

TEACHING & LEARNING

RAISING CONFIDENCE IN SPEAKING

Our summer English courses concentrate on improving a student's level of fluency and to raising their confidence in speaking English. We do this by focussing on speaking and listening activities to bring out what they already know and develop their skills. Students are actively encouraged to practice their English with students from other nationalities, both in class and outside.

Students are tested on or before arrival to the centre so that we can accurately assess the student's level and place them in an appropriate class. We keep class sizes small; to a maximum of 15 students. This allows us to pay more attention to each individual student.

Our teachers are professional and enthusiastic, helping the students to learn as much useful English as possible. They make lessons interesting and fun, using a wide range of language activities designed to improve their ability to communicate fluently.

Our English courses include 15 hours of English tuition per week including fluency practice, project work and excursion preparation lessons to get the most from their trips. St Lawrence College operates a zig-zag programme which means classes can be in the morning or afternoon. We reserve the right to operate zig-zag programmes at other schools. At the end of the course the student receives

an individual progress report written by their teacher and an end-of-course achievement certificate.

Trinity GESE Exams and Coaching Courses

At Churchill House we understand that it is important for some students to receive internationally recognised qualifications. That is why we are offering students the opportunity to take the Trinity Graded Examinations in Spoken English (GESE). This option is available at Dean Close School, Duke of York, Edinburgh College, Prior Park College and Queen Ethelburga's as a supplement to a standard student course with limited availability.

STUDENT WELFARE

OUR PRIME CONCERN

The welfare of our homestay and residential students is our prime concern, from the moment they arrive in the UK until they return home. To ensure that our students are safe, happy and cared for during their stay we have a ratio of 1 member of staff to every 8 students to provide full and attentive supervision. The centres have two first-aid trained staff available at all times. There is also a doctor's surgery near each centre.

Food

On our residential courses, all meals are prepared by the centre and eaten in the dining hall. On full day excursions, packed lunches are provided. The food is always high quality, offering a good variety of the necessary well-balanced and healthy diet students' require.

Most dietary requirements can be catered for with advance notice. Please tell your sales consultant of any allergies or requirements needed at time of booking.

ACTIVITY PROGRAMME

HAVING FUN IS IMPORTANT TO LEARNING!

Students don't just learn English in class—meeting new people from different countries is an important part of the learning process! Our activity programme provides the opportunity for students to meet and learn together. We offer a range of activities, sports and excursions, all led by our team of enthusiastic staff.

Daytime activities

During the day students can choose from a variety of fun activities including sports (e.g. tennis, football, basketball, swimming); arts and cultural activities, such as painting, crafts, drama and dance. Centres in cities will also offer local walking tours and museum visits.

Evening Activities

Our evening activities include shows, discos and quizzes, with the emphasis on student participation and enjoyment.

Excursions

We provide at least two excursions per week at all our centres; one local half day excursion (4-5 hours) and one full day excursion (9-10 hours) to a major attraction. Please see the centre-specific brochure page for the possible excursions. A sample weekly programme is available upon request.

INFORMATION

Transfer Service

Travelling to a new country is exciting, but it can also be stressful and difficult for students travelling alone. For this reason, we provide a variety of services that make your travel to your centre easy and safe.

Our 'Meet and Greet' transfer service provides a safe and secure way for students to arrive at their centre, taking the risk and stress away. We provide a friendly face to meet them when they arrive at the airport, look after them and take them safely to their school in one of our taxis or coaches.

We can provide private transfers from all main airports or from other locations in the UK on request. At peak times at the main airports, subject to availability,

we also offer shared transfers; students arriving on different flights are met on arrival by our couriers and supervised until they can be combined onto shared transport, providing a cheaper alternative. For many students the shared transfer service is the ideal opportunity to become friends with other students before they even arrive at the school!

On departure our couriers escort individual students through check-in until security. We also provide an additional service for students travelling as Unaccompanied Minors.

Insurance

All students, whether an individual or group student, are strongly advised to have insurance for the duration of their

stay covering them for medical expenses, course cancellation, personal accident, personal liability, loss of baggage, personal effects, money and tickets.

Churchill House can provide information on an insurance package designed specifically for international language school students. Please contact us for full details.

Arrival and Departure

Each residential centre has specific arrival and departure day (usually a Sunday or Monday). For our Ramsgate Homestay centre, students should arrive on a Sunday and depart on a Saturday. Extra nights are possible at a supplement and by agreement.

TERMS AND CONDITIONS - INDIVIDUAL STUDENTS

All enrolments are subject to the following conditions which become legally binding on acceptance of enrolment by Churchill House School of English Language (Churchill House).

1. PAYMENT OF FEES

All fees must be paid in full no later than 21 days before arrival. When we have received your enrolment form and £250 deposit we will reserve your course and accommodation and send you a Certificate of Enrolment confirming your course dates and the total price. The deposit of £250 must be paid when you enrol for a course. All payments must be made in UK Sterling; on credit card payments a 3% surcharge will be added on the total amount to cover credit card charges. No students will be allowed to participate in the programme unless payment is received in full prior to course commencement.

2. VISAS

Some students require a Student Visa or Tourist Visa. Please contact your local British Embassy, Consulate or High Commission to ensure they are allowed to enter and study in the UK. Arranging the correct Visa is the sole responsibility of the student or agent but Churchill House will provide what help is necessary. Visa support documentation will be provided on receipt of £250 deposit.

3. ACCIDENT & MEDICAL INSURANCE

We strongly recommend that all students take out an insurance policy to cover them against travel and medical problems, cancellation or the termination of their course. If you opt out of the school's Studentguard policy designed specifically for students (£4.65 per week) Churchill House will not be held responsible for any cost for not having an adequate travel insurance policy. For more information please contact the school's sales department.

4. DAMAGES

Students are responsible and may be charged for any damage that they cause, by accident or through misconduct.

5. GENERAL REFUND POLICY

All refunds will be sent to the account of the person who has paid it. If a student's visa application is rejected after payment has been received all fees will be refunded on providing we receive a visa refusal letter.

6. CANCELLATION POLICY

- If you cancel your course because your visa application was refused, we will refund 100% of fees paid (minus bank transfer costs) on receipt of the original written visa refusal.
- If you cancel your course up to 21 days before the start date, we will refund the total fees paid minus the £250 deposit and bank transfer costs.
- If you cancel your course less than 21 days before the start date no refund will be issued but the full value of all fees paid minus the £250 deposit can be transferred to another course of your choice up to the end of the following calendar year, at the end of which the credit lapses.

7. WITHDRAWAL POLICY

Churchill House defines withdrawal as termination of a course once the course has started and for which no refund can be made

8. OUR STUDENT DISCIPLINE PROCEDURE

Churchill House reserves the right to terminate the programme of any person whose behaviour is likely in our opinion to cause distress, damage or danger to themselves or others, Churchill House employees or anyone else. Churchill House reserves the right to terminate the programme of any person whose behaviour is contrary to applicable local laws. This behaviour includes but is not limited to: underage purchase or consumption of alcohol, possession of illegal substances, damage to property, threatening or violent behaviour.

If students are found to be involved in bullying and harassment, in breach of school rules then action will be taken in accordance with our anti-bullying policy and our Student Discipline Policy. Minor offences may result in a verbal warning and/or suitable sanctions; continued unacceptable behaviour may result in removal from class for longer periods and further sanctions. More serious offences may result in formal disciplinary procedures and a written warning. At this stage parents or the agent will be informed that another reoccurrence will lead to expulsion at their expense. The final course of action will be expulsion from the school.

9. EXPULSION

Students found to be in serious or persistent breach of the Churchill House Summer Centres school rules, or the rules of the venue school, may be expelled. In this case, their parent/guardian is required to make arrangements for their return home immediately. Churchill House will not be liable for any costs incurred in repatriating a person. No refunds will be made for any programme missed as a result of such terminations. At Churchill House's discretion a student may be allowed to move to another school, in which case any additional costs relating to the move or the change in programme must be paid by the client.

10. RESOLUTION OF DISPUTES

Sales

If you have a problem with the sales process or the product you have been sold, please discuss it with your Sales Consultant in the first instance. If you are not happy with the result you can request that your complaint is passed on to the Director of Sales and Marketing.

Summer Centres

If you have a problem with any aspect of your course, activities or accommodation, please tell your Student Liaison Officer or your Centre Manager. If you are not happy with the result of this complaint it will be passed on to the Summer Centres Director at our Head Office for investigation and final decision.

Finally, Churchill House is accredited by the British Council and is also a member of English UK. Both these organisations have procedures, available on their websites, whereby they can raise any serious complaint with the school on your behalf if our own procedures have still left you dissatisfied.

11. SERVICES

Churchill House reserves the right to change the particulars of the services, including changes to courses, locations, facilities, accommodation and dates of the programmes where circumstances beyond Churchill House control necessitate such changes or where the number of bookings received does not reach the minimum numbers required to operate a course viably.

12. LIABILITY

Churchill House and its staff and representatives will not be liable for loss, damage or injury to persons or property howsoever caused, except where liability is expressly imposed by law. Churchill House will not be liable in the event that any service contracted to be supplied by Churchill House becomes impossible to supply for any reason or any cause outside the control of Churchill House.

13. FORCE MAJEURE

Churchill House is not liable in the event where it is unable to fulfil any service to which it is contractually bound because of fire, natural disaster, acts of government, failure of suppliers or subcontractors, labour disputes or other reasons which are outside its control.

14. PROMOTIONAL ACTIVITY

Students and their parents or guardians, where applicable, agree that the student's photo, quotes and details of achievements may be used for promotional purposes without written consent or notification. If you do not want this to happen, please let us know.

15. DATA PROTECTION

Any information provided to Churchill House may be held on computer and shall be used in accordance with its data protection registration and the national data protection laws applicable.

16. AGENTS

All the above terms are applicable to direct students and agents unless variations are expressly agreed between the agent and Churchill House in writing.

17. EMERGENCY CONTACT DETAILS

Customers must provide 'next of kin' details (name and telephone number of a parent/guardian). This is a British legal requirement in case emergency medical/legal consent is required.
