Bell Young Learners 2024

7-17 years

Introduction

Sam Scaife - Head of Young Learners

We live in an ever-changing world and it is critical that young learners develop essential language and life skills to prepare for their learning, life, and work in the future.

Our Young Learner programmes at Bell bring English language learning to life. We encourage our students to aim high, exceed their goals and become confident and capable individuals.

Building confidence to communicate in an additional language takes guided support and practice, practice, practice. That's why we focus on developing core English language skills through project-based learning activities and interactive learning – an effective way to learn language quickly and successfully.

Our programmes are a truly international experience. In 2023, we welcomed 51 nationalities to our centres, giving students the opportunity to make friends and connections all over the world.

With expertly designed lessons, activities, and study tours, students will be inspired to reach their full potential. They will take on new challenges, surpass their expectations and experience what life could be like at an elite boarding school or university, kickstarting their road to academic success.

Why Study with Bell?

We continue to follow the vision of our founder, Frank Bell, who believed in the power of language to transform lives and the world. Our heritage means we have always had education at the heart of everything we do and in almost 70 years, we have never compromised on that.

Learning the Bell Way

Each student's learning is guided by the six principles of The Bell Way, which have been developed by our academic team and an Emeritus Professor from the University of Cambridge.

The Bell Way is core to everything we do at Bell, enhancing your child's progress and ensuring their success.

Our Teaching Expertise

We pride ourselves on the strength and quality of our teaching methods and expertise. Young learner courses are taught using a project-based approach, which allows students to practice skills that go beyond language and communication, incorporating critical-thinking and collaborative tasks.

Outstanding Student Care

Safeguarding and the welfare of our students is the number one priority at all Bell schools. We employ residential staff, at a staff to student ratio of 1:6, to ensure that the pastoral and welfare needs of each individual student are covered. Dedicated houseparents, 24-hour supervision and an emergency helpline: together these create a safe and secure experience that ensures your child's welfare is our highest priority.

Prestigious schools

We have four young learner schools, all traditional, historic English buildings set in their own gardens and grounds in prestigious locations.

Each school has its own special atmosphere and diverse facilities from art rooms, dance studios and theatres to sports fields, swimming pools and tennis courts.

An Inclusive Approach

At Bell, we will always endeavour to accommodate students with additional learning needs. We will work with you before your child arrives in order to ensure we can meet the needs of your child and they will have the care and support they need to thrive during their time with us.

Tasty and nutritious

Your child will be offered a choice of nutritious food at each mealtime: breakfast, lunch and dinner. Snacks are also available during breaktimes. Packed lunches are provided on all study tours.

If your child has a dietary requirement, please let us know.

Your Bell programme

Students learn faster and more successfully when they use English all the time and in a range of situations. This is why we offer fully integrated courses with lessons, activities and exciting study tours.

Inspiring lessons and project-based learning

Our lessons are carefully planned to improve students' language skills and build confidence. We focus on developing core English language skills through engaging and relevant weekly project themes, like 'Protecting the Planet'. Students work in groups and use what they have learned to produce a final project such as a short film or presentation.

- ▶ Tuition – 15 hours per week

Your choice of afternoon electives in the Explorer programme

Electives give students an opportunity to take part in a wide range of activities, with a choice of active, creative and academic options available at each school. Students have multiple sessions in each chosen elective, allowing them to build confidence and practise elective-specific language. Electives are delivered by experienced activity leaders with a variety of backgrounds, from keen sportspeople to professional actors.

- ▶ Two-week course – 6 x 3 electives (total 18 hours)
- ▶ One-week course – 4.5 hours x 2 electives (total 9 hours)

*Sample electives can be seen on each location page.

Evening activities

Students get further opportunity to practise their English as one big group or in teams during our evening events, which include quizzes, talent shows, sporting events and movie nights. **A programme of afternoon and evening activities is included in all our courses.**

Specialise with an Academy

Bell Academies give students the chance to specialise in one particular area of interest. On our Explorer programmes, students will have the option to pursue their interests and get high-quality tuition from a professional with many years of industry experience. Students practise their English while focused on learning or developing their chosen skill. This approach of 'learning by doing' helps students to learn faster and more successfully.

Due to popular demand, we encourage Academy options to be booked in advance for all centres. All Academies are available at an additional cost.

Academy details can be seen on each location page.

Exciting study tours

As part of our young learner courses, students have the opportunity to explore places of interest in the UK, such as London, Oxford and Cambridge. Study tours are important learning opportunities, which students prepare for during their lessons. Each study tour relates to the weekly project theme on our Explorer courses.

Terms & conditions

Young learner courses

This is a summary of terms and conditions relating to Bell young learner courses. The full terms and conditions can be found at www.bellenglish.com/terms-policies/. By submitting a booking form you are agreeing to the full terms and conditions. By enrolling a student under 18, you agree to the full terms and conditions on their behalf.

We will refund your booking in full, should we be unable to run the course for the dates you have booked. We will inform you no later than 2 weeks prior to the start date of your booking to either confirm your booking or to cancel/postpone your booking. Again, we strongly recommend that you do not book flights for this course before we have contacted you 2 weeks before the start date of your booking. One reason for this, is that we may suggest that you move your booking to a later date in the course, and therefore you would have to change flight bookings you had already made.

We intend to run the proposed activities and excursions, but we will always be guided by the latest government regulations, so they may be subject to change. However, we will always keep you informed of any changes.

For all individual young learner bookings – made from Monday 1 June 2020 to Thursday 31st March 2022 – bookings can be postponed or cancelled up to 4 weeks before their course start date. In the case of postponement, we will retain the funds as credit for 18 months. In the case of cancellation, we will refund full fees with no questions asked.

For all other face-to-face young learner course bookings, you must submit a booking form and pay a £385 deposit, which is part of your total fees, and the £95 registration fee, within 3 working days of submitting your form. Both payments are non-refundable.

For online courses, no deposit or registration fee is required. To secure your booking, you must pay your fees in full at the time of booking.

Full fees as quoted on your pro-forma invoice must be paid at least 6 weeks before the course start date.

We cannot guarantee to hold the student's place on the course unless all fees are paid in full and on time. Students with unpaid fees will not be admitted to the course.

Payment can be made by bank transfer direct to Bell or through our online payment provider Flywire. In addition to a Flywire handling fee of up to £7, all card payments will be subject to a 2% fee levied by the card company. These fees are non-refundable. It is your responsibility to cover all bank charges and exchange rate differences for payments.

On arrival, all students need to pay a refundable damage/key deposit of £50, which can be deducted from their pocket money.

- Full supervision by qualified and experienced staff
- At least 15 hours a week of lessons/programmed activities
- Accommodation and all meals including packed lunches
- Laundry service
- At least one full-day study tour per week, including entrance fees, and a full programme of social events. (For full programme descriptions please see the individual course details)
- All learning materials, Bell language course portfolio and end of course certificate
- Transfers on scheduled arrival and departure days from and to designated airports/Eurostar train stations only (excluding on our Summer Explorer course)
- Transfers that are not on scheduled arrival and departure days, or not from and to the designated airports/Eurostar train stations
- Occasional optional activities such as trips to amusement parks or the theatre

For young learner course bookings made on or after Thursday 1 July 2021, the following cancellation policy applies: Cancellations must be made in writing to Bell Head Office. Once a booking has been confirmed, the following cancellation notice periods and fees apply to our face-to-face course bookings:

- *More than 6 weeks before the course start date:* you must pay £385 deposit and £95 registration fee
- *Full fees must be paid 4 weeks before the start of the course*
- *Any Young Learner bookings cancelled less than 4 weeks before the start of the course will receive a 50% refund. Unless the course is cancelled due to government restrictions here in the UK or in the student's home country, or we are unable to run the course for any reason, in which case you will receive a full refund.*

If you need to cancel your online course for any reason, you may move your course to an alternative date of your choosing (subject to availability). You may choose the same course again, a different course of the same value, or a different course of a different value. If the new course is of a higher value, you will need to pay the difference.

For any notice period given, a 'week' counts as Sunday to Saturday.

Any refunds must be made by the same payment method and to the same source as the original payment. Fees are not transferable to other students.

We reserve the right to charge an administration fee for any changes made to the original booking.

In the event that Bell has to cancel a course, we will do our best to move the student to an equivalent programme. If this is not possible, we will refund all fees paid to Bell, but will not refund any other payments, such as for flights.

Additional charges for academy options on Summer Explorer courses are non-refundable after the course start date.

It is the responsibility of the client to check the student's visa requirements for entry into the UK, and if necessary apply for and ensure the student is granted the appropriate visa for their period of study with Bell.

Information on visas can be found on the UK Home Office website www.gov.uk/visas-immigration

If you have not received your visa 2 weeks before the course starts, you must inform us so we can work with you to make any necessary arrangements.

If a visa application is rejected and we receive notice in writing, along with a copy of the visa refusal letter, we will refund the following:

- More than 2 weeks before the course starts: all fees except the £95 registration fee and any courier charges
- 2 weeks or less before the course starts: all fees except the £385 deposit, the £95 registration fee and any courier charges

We will only offer refunds in cases for visa refusal where the student followed UK Home Office guidelines for their visa application.

All decisions on visa applications made by the UK Home Office are final.

Do not book flights or make travel arrangements until you have received the booking confirmation documents from Bell. If you cannot book flights for the official arrival and departure dates, you must check with Bell before booking flights for another date.

If you choose to make your own travel arrangements and arrive at the centre directly, please [inform us](#) of your intended arrival time. We cannot give any refunds for students not using the Bell transfer service.

Insurance is included as part of our course fees. A summary of the cover, which is provided by Endsleigh, will be sent to you with your booking confirmation. The policy does not cover students who are UK Domicile Residents and it does not cover pre-existing medical conditions.

You must inform us of any disabilities, medical, dietary or other information that may affect the student's ability to participate in the course before the course starts. Any student arriving with a serious medical condition not previously reported, which requires regular staff supervision, may be sent home with no refund of fees.

Students must hand in any medication they bring with them to course staff on arrival. Medicines will be administered under supervision by course staff.

In case of a medical emergency, if the student's parents or guardians cannot be contacted, Bell will act with a duty of care and will arrange for a doctor to give any medical treatment considered necessary, as well as authorise the administration of an anaesthetic and operation.

We recommend that students bring £100–£150 pocket money per week.

To avoid students having to carry large amounts of cash, we offer a free pocket money transfer service. Pocket money can be sent as a Sterling cheque made payable to Bell Educational Services or by bank transfer. Instructions will be sent to you in your pre-arrival information. You are responsible for all bank charges.

We are unable to accept any online or credit card payments for pocket money.

It is your responsibility to inform Bell of an emergency contact telephone number where a parent/guardian or agent can be contacted 24 hours a day, including the student's arrival and departure days.

All courses and course components are run subject to demand.

We reserve the right to change course arrangements and prices without advance notice.

On the first day of the course, students will complete a placement test and will be placed in a class appropriate to their language level, maturity and age. Once the course has started, we reserve the right to move students to the class most appropriate for their language level.

We offer a wide range of activities on our courses. All activities are supervised by qualified staff and all necessary sports and safety equipment is provided.

By agreeing to these terms and conditions you are giving permission for your child to participate in all activities.

Certain Young Learner courses and academies have a minimum language level. Please refer to the course/academy details, our [level chart](#) or [contact us](#) for further details.

If the language level provided at application is later found to be incorrect, we reserve the right to make any changes considered necessary to the enrolment at the student's own expense.

Bell rules apply to behaviour on our courses, including during study tours and in all accommodation. The rules can be found at www.bellenglish.com/terms-policies/

Any students breaking these rules, or English law, or persisting in serious anti-social behaviour will be disciplined and may be sent home early with no refund of fees.

Bell will only be responsible for loss or damage suffered by a student which occurs as a foreseeable or its negligence.

Nothing in the terms and conditions shall limit or exclude Bell's liability for death or personal injury caused by negligence, or for fraud or fraudulent misrepresentation.

Bell are not liable for any failure or delay in providing our services that occur as a result of any event outside our reasonable control, such as but not limited to war, disease outbreak, natural disaster or terrorist attack.

In such cases, we will immediately notify you in writing and shall be excused from performing our obligations for the duration of the force majeure event.

These terms and conditions are governed by English law. English courts will have exclusive jurisdiction to settle any disputes that may arise out of the terms and conditions.
