

Spend a day with us

Meet Arianna, our student from Italy. Get a glimpse of life at Españolé

08:45 Bus to school

My student apartment is only a few stops away from the school so sometimes I walk or use the Valenbisi bike system but today I decided to take the bus as it's really convenient, cheap and stops so close to the school!

19:00 Afternoon activity

I was really surprised to see such a full activity schedule all included in the price. Before arriving I didn't think I would do so many activities but now that I'm here I've been on almost all of them including weekend trips to other cities.

09:10 Spanish classes

Going to class is a pleasure as I get to see my new friends and the teacher knows how to make learning fun. My classmates are from all over the globe and our teacher, Juan, has actually travelled to most of our countries!

21:00 Life at my new home

I live with a Japanese girl and a boy from Denmark and we are all very happy and comfortable together. The apartment has plenty of space and we have everything we need in the area. We like to go to dinner three times a week but we also take turns cooking food from our countries for each other. It's a fun way of learning names in Spanish for foods and ways of cooking!

14:00 Lunch

Lunchtime is the perfect opportunity for us to practise much of what we learn in the classroom. There seems to be an endless amount of options in El Carmen and I found all the waiters to be so nice and friendly. I love the food too so am always looking forward to lunch!

22:00 Valencia nightlife

I think I could live here for years and still discover funky little bars, casual looking restaurants that serve amazing food and there seems to be a local neighbourhood fiesta every day somewhere! My Japanese housemate loves flamenco and live music so she is always finding new places for us to go. There just aren't enough nights in the week!

16:30 Homework

This time last week I had classes in the afternoon, which meant I would do my homework while enjoying coffee and breakfast on a terrace. Now that I have morning classes I enjoy doing it with my merienda instead! The homework is carefully planned by the teachers and everything flows nicely so you actually want to do it and be ready for class the next day.
