**Summer Spanish Course in Tarragona for Teenagers (aged 13-17)**

**The City**
This course takes place in Tarragona, a pleasant coastal resort approximately 100 km south of Barcelona (86 km from the airport). Tarragona is a provincial capital and a UNESCO World Heritage City, with a population of around 115,000. It is situated on the Costa Dorada and is an ideal location for a junior programme of this kind. The town is lively, but not too big, it has its own sandy beaches within walking distance of the school, it is very close to Port Aventura - one of Europe’s largest theme parks and it is only an hour from Barcelona by bus or train. For more information about Tarragona, visit the city’s website at www.costadaurada.org.

**International House Tarragona**
International House Tarragona was founded in 1980. The school occupies 1 floor of a typical Tarragona town house and is situated in the very centre of the city.

The course is run as a joint venture between IH Barcelona and IH Tarragona. The Director of IH Tarragona and his team have extensive experience of organising junior courses and dealing with younger students - almost 90% of IH Tarragona’s students are under the age of 18.

**The Course**
Classes are given by a team of experienced, professional teachers who have been specifically trained to teach Spanish as a foreign language. The classes will focus on developing the students’ communicative skills so that they are able to use their Spanish outside the classroom.

The course fee includes the following services:
- Airport transfer service on arrival and departure
- 3 hours of Spanish classes per day in multinational groups of up to a maximum of 12 students
- All teaching materials, tests and certificates
- Host family or residence accommodation, normally in shared rooms
- Full board (with packed lunches or dinners some weekdays and on excursions)
- Full social programme of sports and other activities including local visits and excursions
- Local bus pass, given to students whose accommodation is more than a fifteen minute walk from school
- Basic medical insurance policy

**Dates:** The course runs during July and August. For starting dates and prices, please see the application form enclosed.

"I had the best summer of my life! I have learnt lots of Spanish as well as making lots of friends for life!" Sarah, USA

**Social and Cultural Programme**
The course includes a very full programme of excursions and other activities with all costs covered by the course fee. See the example programme at the bottom of the page for details.

**Accommodation**
Two types of accommodation are available:

**Host Families**
The school carefully selects all host families, who have undergone Criminal Records Checks, and who all undertake to provide students with a full range of accommodation services including three meals per day. Students with dietary restrictions or any other special needs are requested to make these known in advance. Almost all the host families live within walking distance of the school. However, in some cases it may be necessary for students to take a bus from their family to the school. In this case a student bus pass is included in the course fee.

**Student Residence**
The residence is located in the city centre, less than 15 minutes walk from International House. The residence, which provides accommodation throughout the academic year to students from the University of Tarragona, was opened in 1998 and is very well maintained. Accommodation is available in spacious double rooms equipped with wardrobes, writing desks and chairs, desk lamps and bookcases. Sheets and towels are provided. Accommodation includes all meals. Facilities that are available free to students include a TV lounge, a computer room, separate study rooms, and a small gymnasium. Washing machines are also available for a small charge. Students are provided with a key to their room. (However, see the Curfew Policy section below).

The monitors responsible for the program of activities as well as some of the teachers stay in the residence for the duration of the course and one of their key responsibilities is to help supervise the well being of the students at all times.

**Curfew policy:** The school operates a strict curfew policy which ensures that all students aged 13-14 are back at their accommodation by 22.30 and students aged 15-17 by 23.30, except on Fridays and Saturdays when the deadline is extended until 23.30 and 00.30 respectively. This policy is strictly enforced both by the host families and the monitors at the residence.

"My Spanish family made me feel right at home. I miss them already." Michelle, FRANCE

Payment

The balance of fees is due at least 2 weeks before the first day of the course. Once we have received full payment, we will send all accommodation details.

Cancellations

Where a cancellation is received 10 days or more before the course is due to start, the deposit is refunded less 120.00 euros for expenses. For cancellations received with less than 10 days notice, the deposit is non-refundable. Once the course has started, the cost of the entire programme (course and accommodation) is non refundable.

Under exceptional circumstances, and at the discretion of the school Director, students’ unused fees can be held on account for up to 12 months. Please note: We recommend all students take out a course cancellation insurance policy to protect them against such an incident.

Insurance

All students will be covered by a basic medical insurance policy while in Tarragona. However, we strongly recommend students to take out additional travel insurance in their country of origin to cover any loss, sickness or accident which may occur during the course.

SECTION 3

So that students can take full part in the blogs and podcasts as part of the Spanish classes, we sometimes need to take photographs of our students and record their voices speaking Spanish on the internet. Group photos may also be taken with local dignitaries at the City Hall. We would therefore like to ask you for permission to use photographs of your child during program activities and record their voices during class activities. Please note that these photos could also be used in our publicity, whose sole purpose would be the promotion of International House’s Language programs.

I hereby authorise International House and its representatives to use photographic, video and audio material of my son/daughter for the Summer Course blogs and podcasts and also to promote their language programs and complimentary services such as accommodation, social program etc.

I understand and accept that my son/daughter's image/voice could be used in print and digital formats, could be accompanied by written text and could appear on International House web pages or on those of their representatives.

I agree. Signature: ________________________________
